

Dear Esteemed Guests !

Latest Entry Requirements

There has been some updates on the Kenya entry requirements. Here is [the link](#) released 21st December effective immediately. Most importantly, please note that;

- All passengers arriving into Kenya through any point of entry must have a certificate of COVID-19 vaccination. Travelers below the age of eighteen (18) years are exempt from this requirement.
- All passengers coming to Kenya must be in possession of a valid COVID-19 negative PCR test certificate conducted within **72 Hours** before departure regardless of the route of entry. Children below the age of five (5) years are exempt from this requirement.
(This has changed from 96 hours before travel to 72 hours before departure).
- All travellers will be expected to fill the travellers' locator form and submit before travel to <http://bit.ly/covid19moh> and thereafter submit daily health information to "jitenge" platform for 14 consecutive days.
- Passengers travelling out of Kenya will require a COVID 19 vaccination certificate. In addition, they will be required to abide by the particular travel, health and COVID-19 related requirements of the destination country.
- Pre-departure testing may be considered at the discretion of any of the airlines departing from or terminating in Kenya.
- All travellers originating their travel or transiting through the listed countries in

the last fourteen (14) days will be required to undergo a free arrival rapid antigen test at point on entry. The list of approved States whose travellers are exempt from quarantine and require rapid antigen test on arrival can be accessed in the KCAA website: <https://www.kcaa.or.ke/covid-19/quarantine-exempted-states> and will be reviewed as necessary to accommodate changes communicated by the approving Authority.

We are committed to the safety of our guests throughout the holiday season.

Stay safe and Happy Holidays!
