END OF YEAR NEWSLETTER

Dear Esteemed Sunworld Clients and Future Guests!

As the year draws to an end we'd like to take this opportunity to **THANK YOU** for your wonderful support received this year.

It's been a **GREAT YEAR** for us in many aspects and we are **MOST GRATEFUL** to everyone who visited Kenya and travelled with us!

Here is a short up-date on where we are and what's to come !

WINNING THE ECO-WARRIOR AWARD

We received the prestigious **ECO WARRIOR AWARD** for **GREEN TOUR OPERATOR CHAMPION** in September 2019 !

The Eco-Warrior Award is a Kenyan Tourism award that recognizes and celebrates outstanding contributions to ecotourism practice in Kenya. It is aimed at motivating winning ventures/operations and industry at large to embrace practices that are ecologically and ethically sustainable in order to compete with the best in the world.

We are most grateful for all the wonderful support and embrace of our new measures at Sunworld Safaris !

**CLICK to Download our
"Client Brief on Sustainability."
A copy of this has been placed in each
vehicle!**

SINGLE USE PLASTIC BAN - UPCOMING IN JUNE 2020

The upcoming ban on single use plastic for all protected areas such as National Parks & Reserves means that visitors will no longer be allowed to carry items such as plastic bottles, plastic cups & lids (such as coffee), balloons, wet wipes, plastic bags etc.

FLEET UP-DATE

We continue to update our fleet annually and have purchased **15 brand new vehicles** this year alone. Our fleet currently consists of 70 custom built safari vehicles!

SPECIAL OFFERS

For the months of January to June we offer
FANTASTIC NEW SPECIAL OFFERS
such as exciting and very reasonably priced
4 x 4 ROAD PACKAGES with
fixed departures or private departures.

LUXURY MOBILE CAMPING

Remember, that we have this fantastic **MOBILE CAMP** we can put up
ANYWHERE in Kenya ! Truly, a great option for smaller groups with maximum
PRIVACY in the Bush !

HOW ARE WE "GOING GREEN" & PRACTICING SUSTAINABILITY ?

- We have keenly eliminated single use plastic in our operation and replaced all plastic bottles for the Sunworld team and our guests with stainless steel bottles or re-usable glass bottles for picnic boxes instead of using tetra pack.
- Along with Mara Bush Camp we save 225,000 plastic bottles in a year !
- We have a strict waste management policy and a dedicated area for garbage in our office premises.
- Our garbage is collected by Taka Taka Solutions, that sorts 95% of all garbage, re-uses and sells to local recyclers.
- All our picnic lunches for our clients are prepared in-house by our in-house chef from locally sourced ingredients. These are usually healthy, vegetarian or non-vegetarian options. We no longer offer yoghurts in plastic cups nor the usual packet juice.
- All containers are now glass which is being cleaned and re-used. Recycled serviettes are added to each box.

CONSERVATION BASED SAFARIS

We offer conservation based safaris that support initiatives such as the Sheldrick Wildlife Trust and its orphaned elephants as well as the endangered Rhino with support of Conservancies where Rhinos are bred & protected.

FITNESS

Exercise classes for our staff members (2 x week)

TEAM BUILDING & TREE PLANTING

At Kareita & Eburro Forests to offset the carbon footprint for the accumulated kms in our fleet. We usually plant more trees than we have to !

SOCIAL RESPONSIBILITY

Educational trips for school children from Korogocho Slums (St. John's school) to National Parks / Game Reserves to teach them about wildlife & conservation but also create a day out & away from poverty

TRAINING

Various guide training's specifically in photography
(We did a fantastic workshop with Andreas Knausenberger)

HAND SANITIZING GEL FOR OUR CLIENTS

We shall also add hand sanitizing gel, from mid December 2019, in every vehicle to avoid our guests using wet wipes which are not bio-degradable.

**We wish you a Merry Christmas
and a Happy New Year**
