

## Watamu Tree House

### **Location:**

Located on the coastal forest of Watamu, the towers were built on existing clearings in the forest, without cutting trees and with the intentions of preserving the forest.

### **Rooms:**

The Treehouse has rooms on 03 stories with amazing views. Treehouse rooms all have nets, towels, bathrobes and everything you need except your personal toiletries. The hotel overlooks an endless stretch of golden sand, perfect for long walks, with untouched snorkelling and swimming spots along the way. Take a romantic sunset cruise on an Arab dhow, and visit nearby Watamu village to watch a traditional dance display. Kite-surfing, canoeing, scuba diving and deep-sea fishing can be arranged at the larger resorts further along the beach, or you could simply relax beside the pool after a rooftop yoga session with an expert trainer

### **Amenities/Facilities:**

- Beach access
- Swimming pool
- En-suite rooms
- Veranda & rooftop lounging spaces
